Thoughts from the Chairperson

Chairman's Message:

Hi Everyone,

It was great to see so many at our annual Holiday Party held at Villa Olivia in Bartlett once again this year. The brunch was delicious as usual, and the service was exceptional. Thank you, Joyce Colletti, for the festive centerpieces. We appreciate your dedication to finding us the perfect one!

I was happy to see we were able to be back in and fill up our old room this year, the Emerald Room. With the beautiful decorations, it was the right touch for the Holidays!

Our next event is our Kickoff Part/Membership session. Due to the growing number of people in attendance we decided to move this event to Fox's Pizza, located in Mokena, on Feb. 2, 2025. You should have received your flyer via email. I look forward to this new location. Through personal experience, I can let you know that they have wonderful service and great food. I look forward to seeing everyone there!

As usual, your Board of Directors and Officers have been busy planning our Spring/Summer events. We are excited to put together the list of the 2025 events. Please check this newsletter and our website to save the date on your calendars. We have many events scheduled this year.

Many thanks to all the members who make our Chapter exist and make our activities possible. It is teamwork and friendship that make us successful! I look forward to seeing all of you soon!

Bill Braun

MCACN TRIPLE DIAMOND AWARD

In the Corvette world, there are several prestigious awards that only an elite group of collectors are able to achieve. The level of commitment it takes to obtain NCRS Top Flight® or 4 or 5 Star Bowtie® and Bloomington Gold Certification® or Bloomington Survivor® status is no easy task.

We at Muscle Car and Corvette Nationals are here to offer another opportunity for the elite group who have made the commitment to restore and show the very best reference level Corvettes. For those who have achieved the NCRS Top Flight® or NCRS 4 or 5 Star Bowtie® and Bloomington Gold Certification® or Bloomington Survivor® status we offer what many consider the ultimate achievement: The Triple Diamond Award.

Knowing that the credibility of any award is only as good as what is behind it, we have assembled a team of experienced Judges that have literally hundreds of years of combined experience in the Corvette hobby. Our Triple Diamond judging team consists of Corvette enthusiasts who are currently involved with the Bloomington Gold show and many are active members for the National Corvette Restorers Society. Many serve as members of the judging staff for these prestigious events also. Our Judging team members combine years of hands-on experience researching, restoring and enjoying their own Corvettes. Their knowledge is based on this experience and a true passion for the Corvette.

Triple Diamond Winners will receive a beautiful etched Triple Diamond Award, Triple Diamond Certificate and Gold Concours Award and Gold Concours Certificate with your paid registration and judging score of 950 out of 1,000 or higher.
