"SHUT DOWN 1986"

Dear

Participants:

Well, it's hard to believe that the Illinois Chapter's Galena event has come and gone. We believe it was a great success. So much time and effort went into its planning and execution, it's amazing how quickly the actual show seems to go by! However, the tremendous success we enjoyed would not have been possible without your support by bringing your Corvette for judging or display.

On behalf of the Executive Committee, I want to personally extend my gratitude for the effort you made in helping ensure that Shut Down 1986 was a success. We hope that you enjoyed yourself as much as we enjoyed bringing you the event, and look forward to your participation next year, as well as in other Chapter events.

From all of us at Illinois NCRS, thanks!

Cordially,

Paul C. Nicholson
Chairman
